## WINE CLUB

The Wine & Food Club provides Tattersalls Club members the opportunity to enjoy high quality wines accompanied by high quality food with wine makers or those associated to the industry who can talk about wines. The Wine Dinner on the 23rd was a great event and thanks to Ian Sandler from Red and White Fine Wine, John Ellis from Blue Pyrenees and David Lagan from Xanadu who spoke about the wines being served.

As the year progresses a serious masked wine tasting competition will be held and further dinners are being planned. Club members should also note that quality wine is available to be purchased from the Club at a very reasonable cost.

Watch this space for information on future Wine & Food Club's activities.

## SECRETARY'S BRIEF

Welcome to the Tattersalls Snapshot, our new bi-monthly news update.

The month of March has been a busy one at Tattersalls with final preparations for the refurbishment of the Athletic Department taking place. I know that all AD members will welcome the expansion of locker areas. Work is expected to be completed by end of April and Brad will advise all AD members regarding partial closures of the changing areas.

The first Wine Club dinner in 2004 took place on 23rd March and was a huge success, due largely to fantastic wines being presented along with outstanding food supplied by Executive Chef, Simon Flanders. The event was sold out weeks beforehand, so get in early for the next one!

I would like to wish all members a happy Easter break.

## SECURITY

At the March House Committee meeting the subject of Club security was discussed, I would ask all members to appreciate that from time to time members may be asked to show their membership card by staff and that this is a directive of the House Committee.

I would also advise that over the next few months we will be installing extra surveillance cameras throughout the clubs entry and exit doors to tighten Club security.

Ryde Parramatta 16th April. This grade one course has recently been upgraded by Ross Watson and is a real cracker. Just \$50 and the course is only 20 minutes from the CBD via the Anzac and Gladesville bridges. Killara is also booked for June 3rd.

Following the success of the last morning of the USPGA last year we are going for a repeat at Cammeray Golf Club with breakfast, coffee, BIG screen coverage, 9 holes and BBQ to follow. This is scheduled for the last day of play for both the US Open on the morning of Monday the 21 June and the USPGA on 16th August. Members are encouraged to bring a friend as if we can get over 40 starters then they will allow us a shotgun start immediately following the coverage.

## YOUNG MEMBERS NIGHT

A great crowd attended the Young Members Night held in the members bar on Friday 26th March, the special beers on the night were imported from Belgium by Interbrew, the worlds largest brewer. Interbrews representative on the night was Robert Briers who gave a small introduction to each of the four beers on offer, each beer was accompanied by the following different food type as is the custom in Belgium :

*Stella Beer- Beer battered flat head*

**Young Members Night with Ashok busy at the Bar**

Hoegaarden Beer – Moules marinare

Leffe Blonde Beer – Smoked duck with spicy sausage & stompe

Kriek Beer – Warm chocolate tart & strawberries

With the Belgium beers selling for \$2 a bottle and the food free on the night it was great value for the 70 young members and their guests who had a memorable night.
